www.linkedin.com/in/lexienield

Nationality: USA. Eligible to work in Germany.

Professional Summary:

International sustainability professional with experience in project coordination and research across Europe and the USA. Skilled in managing cross-functional communication and data collection, with a proven track record of coordinating projects in multicultural environments. Native English speaker, C1 German, and experienced in working across diverse teams. An advocate of sustainable development and an affinity for tech and innovative tools. Likes to travel, experience cultural contexts, and dance.

Skills:

- **Project management:** project coordination, administrative support, event and workshop planning, maintenance of internet and intranet pages
- **Data analysis & reporting:** data collection and analysis, MAXQDA and SPSS, qualitative and quantitative interviews and questionnaires, statistical modeling, report writing, visualization
- **Sustainability:** CSR strategies, sustainability reporting (e.g., GRI, CSRD), life cycle assessment (LCA), environmental impact assessment, circular economy, ESG initiatives

Work Experience:

University of Leipzig, Academic Lab, Graduate Assistant **05/2024 – 03/2026**
Leipzig, Germany

- Expert review of students' theses and papers, with focus on academic writing structure in English.
- Designed and coordinated workshops and events, with a combined participation of over 100 students per semester.
- Facilitated student success by identifying areas of improvement and providing one-on-one feedback on English writing, pronunciation and research.
- Updated departmental websites and social media accounts with relevant, engaging content.

Fidelity Investments, IBM Defined Contribution & Defined Benefit Service Associate **02/2021 – 09/2022**
Durham, NC, USA

- Customer-focused role, consisting of researching customer inquiries, utilizing resources, and building relationships while adhering to measurable departmental goals.
- Confidently solved problems for customers and achieved solutions through complex approaches. Promoted to a dedicated service team within four months of hiring.
- Participated in Fidelity IMPACT, a sustainability initiative, and monitored Fidelity's ESG funds for sustainable investments, as well as the company's overall environmental objectives.

Ann Taylor Loft, Sales Associate **05/2017 – 04/2021**
Durham, Morrisville, & Wilmington, NC, USA

- Gained experience in customer service, communications, and public relations
- Built customer relationships and long-term customer loyalty. Increased sales by advising on the purchase and sale of additional products.

Education:

University of Leipzig & University of Graz, Joint Degree M.Sc. **10/2022 – 09/2025**
Leipzig, Germany & Graz, Austria

- Master's of Science, Sustainable Development: 1,6
Thesis: Food Insecurity: A Case Study of Northside, Wilmington, NC: 1,3

Wageningen University Farming-Experience Internship, **08/2025–09/2025**
Wageningen, Netherlands

- Boerengroep & local farm (affiliated with a leading European agricultural university). The coursework covered food security, agroecology, and soil health.
- was followed by a two-week internship on a farm, which included harvesting, weeding, and animal care.
- Gained firsthand insights into organic farming practices and the challenges and benefits of sustainable agriculture.

University of North Carolina at Wilmington, B.A. **08/2016 – 05/2020**
Wilmington, NC, USA

- Bachelor of Arts, Sociology & Bachelor of Arts, Criminology: 3.56 GPA cum laude
- Study abroad semester in Lisbon, Portugal, Fall 2019

Leadership and Involvement:

Juniper Level Botanic Garden **08/2021 – 09/2022**
Garner, NC, USA

- Completed seed cleaning, garden maintenance, and weed control. Assisted the curator of the horticultural garden by helping with garden upkeep and gaining valuable insights into the species and garden care.

Alpha Kappa Delta, Member **05/2019 – 05/2020**
Wilmington, NC, USA

- Alpha Kappa Delta is an International Sociology Honor Society for students with a Sociology major who have a 3.0 or above major GPA and are invited to join based on academic merit.
